Subject Re: UPCM Letter of Credit 

Peggy -

Sharon Kercher received the original LOC this morning, which is now locked up in the CERCLA safe.

I will hand-walk you a copy so that we can make a determination of the question you raised.

Who else would like to receive a copy of the LOC? Remember, we consider the account number to be proprietary information... so we may want to redact this information should a copy find its way in the Records Center.

The issue of meeting CD deadlines is best left for the team's decision.
